To all Parents,

Congratulations and welcome to Hillview College (HVC).

These prestigious halls will prove to be most influential in your son's future. This college has been defined by history as results oriented and student focused and has produced many world-renowned professionals, as a result.

The Parent Teacher Association (PTA) complements the functioning of the school and, together, provides the best learning and safe environment for our students. The PTA depends upon its membership for support, which varies and is always discretionary. As active parents, your willingness to be a member of the Association is greatly appreciated.

This Association acts as a liaison between the parent body and the School's Administration. For this purpose, there is the **General PTA Chat Group**, which serves as a conduit for all school/student related information.

Please click on this link if you wish to join the PTA General chat group:

Please register using the appropriate link for your assigned class.

An integral part of the PTA's function is ensuring that all of our students are well equipped for this new chapter of their lives. There may be those amongst us who need more support than others and engaging in the Used Books Sale has served to be beneficial. Please consult the list of contacts who are interested in selling Form 1 books.

If there is the need for financial assistance to purchase form one books, please contact the PTA President or Vice President (listed below) or our P.R.O, Mrs. Nanda Bhattacharya (682-0400) to access our Student Support Services and Book Bank.

An orientation program has been designed for easy integration into the school system. If any further assistance is required, please contact the PTA as follows:
